

**CUSC Mentorship Program
Registration Form**

The Cincinnati United Soccer Club welcomes our high school aged players the opportunity to participate in the CUSC Mentorship Program. The purpose of our voluntary Mentorship Program is three-fold...

1. To provide an opportunity for our youth players to experience the qualities of our high school aged players in a soccer setting.
2. To provide an opportunity for our high school aged players to give back to the game, to our young players, and to our organization.
3. To provide an opportunity for our high school aged players to earn community service hours that for many of our players is a high school graduation requirement.

To participate in the program, complete the information below and return it to the assigned Director of Coaching (noted below). For example, if you are currently a CUP Girls High School aged players you will send the completed registration form to Brian Page.

CUP Girls – Brian Page; bpage@cincyunited.com
CUP Boys – John McGinlay; jmcginlay@cincyunited.com
CU Lakota – Andy Szucs; aszucs@cincyunited.com
CU Sycamore – Bobby Puppione; bpuppione@cincyunited.com

Players will be connected with the coach of a specific team by that Director of Coaching, and that coach will determine the role of each mentor. Each mentor may train with younger teams, help train younger teams, speak to younger teams, or any combination.
